Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

THE NEWMAR CUSTOMER EXPERIENCE

The Newmar Difference™ goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

Quality from the Start

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

Carefully Selected Dealers

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

Everything in One Place

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

Friends for Life

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

Seamless Service

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

Rock-Solid Protection

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.

OUR PARTNERS

The Newmar Difference™ begins with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

We create chemistry

BASF

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings. Coatings by BASF—solutions beyond your imagination.

Industrial Finishes

Industrial Finishes has supported RV manufacturers for over four decades, offering paint products that deliver uncompromising quality and provide your coach with a true Masterpiece™ finish.

Driven By You

Freightliner Custom Chassis

Freightliner Custom Chassis are renowned for their exceptional ride, excellent maneuverability, advanced technology, and nationwide 24/7 factory-direct support.

RiverPark

From Samsung® 4K TVs and Xite Infotainment systems to Bose® soundbars and JBL and Infinity premium audio systems, RiverPark helps you experience a higher level of technology in your Newmar coach.

Spartan RV Chassis

An American company with over 30 years of experience in designing and manufacturing the premier motorhome chassis, Spartan delivers superior performance, exceptional safety ratings, and industry-leading technology.
